

ACWA 39 BONDHOLDERS INVITATION – H1 2020 RESULTS CONFERENCE CALL

Dear All,

ACWA Power Management and Investment One (AMPI One) has scheduled a private conference call for **Monday September 7th, 2020 at 18:00 GST (14:00 GMT, 10:00 NY)** to discuss its financial and operational results for the period ended and the financial position as at June 30th 2020.

APMI One kindly invites you to participate in the call that will be hosted by Mr. Kashif Rana, CFO of ACWA Power, the parent company of APMI One.

PARTICIPANT INFORMATION

Dial in number(s)	Canada Toll: +14162164194 PIN: 75590848# Saudi Arabia Toll-Free: 8008143590 PIN: 75590848# United Arab Emirates Toll-Free: 800035703603 PIN: 75590848# United Kingdom Toll: +442071943759 PIN: 75590848# United States Toll-Free: 8442860643 PIN: 75590848#
Audience URL	[Details to be provided]

The call will be hosted on both an (audio) Webcast as well as audio dial-in platforms. Please be advised that questions on audio dial-in platform will be answered with priority over the questions raised on the webcast platform.

We encourage you to dial in a couple of minutes prior to the call time stated above. If you are unable to attend the call, you will be able to listen to a playback available for 90 days after the event and accessible on the Webcast platform.

As per the Reports covenant of the Bonds, required information pack will be furnished to the Bond Trustee for further distribution. Additionally, call materials will be made available to the bondholders in the Company's website (<https://www.acwapower.com/en/investor-relations/financial-results-and-performance-documents/>) that will be accessible by the bondholders-of-record as per the Company's current ACWA39 bondholders database at least 24 hours prior to the call. Please note that the Company's subject database is an in-house, non-obligatory tool maintained by the Company and it is not an exhaustive list of investors at any time.

Kind regards,
ACWA Power Investor Relations

About ACWA Power

ACWA Power is a developer, investor and operator of power generation and desalinated water plants with 59 assets in operation, construction or advance-development. Registered and headquartered in the Kingdom of Saudi Arabia, ACWA Power is currently present in 12 countries including in the Middle East and North Africa, Southern Africa, Central Asia and South East Asia regions. ACWA Power pursues a mission to reliably deliver electricity and desalinated water at the lowest possible cost while seeking to maximize local content and local employment creation, thereby contributing to the social and economic development of the communities and countries they invest in and serve. At an investment value in excess of US\$ 48.8 Billion, ACWA Power's current portfolio can generate 34 GW of power and produce 5.9 Million m3/day of desalinated water on long term off-take contracts under Public-Private-Partnership, Concession and Utility Services Outsourcing models.
